## City of Niles Presidential Primary Election Tuesday, February 28, 2012

On Tuesday, February 28, 2012, a Presidential Primary Election will be held for the purpose of voting for candidates seeking nomination for the office of President of the United States. There are no other offices or proposals on the ballot for Niles City voters.

***Please note:*** This is a closed Primary, which means that voters must select either a Republican Party or Democratic Party ballot type in order to receive a ballot. By law, this selection must be in writing; therefore voters will be required to select their ballot type on the application to vote at their precinct or on their application for an absent voter ballot.

If a voter is submitting an application for an absent voter ballot and does not request a ballot type, ballot delivery will be delayed until that information is obtained in writing.

Eligible electors who wish to obtain an absent voter ballot for this election may download an application from the [Niles City Website](#) or contact Niles City Clerk Linda Casperson at 683-4700 ext. 204 or at Niles City Hall at 508 E. Main Street.
